Aging in Place Program
Initial Request for Service

How Does Our Process Work?

1. **Complete and submit the Initial Request for Service form.** This gives us the information we need to begin reviewing your request.
2. **We will be in touch within 30 business days** to confirm the next steps.
3. **If needed, we may contact you for additional information** to help us better understand your situation.
4. **Please note**: submitting an Initial Request for Service form is not the same as submitting the formal application, this is simply the first step in the process.
5. **If we are able to move forward with your request**, we will send you the formal application and guide you through the next steps. If we are unable to assist at this time, we will inform you in writing.

✓ Be a Willing Partner

Recipients of Habitat repair services must contribute to their project's success by being a good partner in the following ways:

Availability – Answer and return phone calls and return forms requiring your signature in a timely manner. Make a reasonable effort to be available for visits and repair work.

Patience – Habitat for Humanity is a nonprofit organization dedicated to helping those in need. Please exercise patience and show kindness when dealing with our staff and volunteers.

Participation – All able-bodied residents in your home are expected to work with Habitat's staff and volunteers to complete repairs.
